JOINT STATUS REPORT

Pursuant to the Minute Order dated March 23, 2018, the parties respectfully submit this joint status report in this Freedom of Information Act (“FOIA”) case.

The Federal Bureau of Investigation (“FBI”) has advised that it has completed its additional searches for records responsive to the FOIA request at issue in this case and has located approximately 16 additional pages and two text messages. The FBI further advised that it anticipates completing its processing and releasing to plaintiff any non-exempt, responsive records on or before May 31, 2018.

The parties respectfully request that the Court permit the parties to file a joint status report on or before June 12, 2018, in which the parties either ask for additional time to try to work out any issues without the Court’s involvement or propose a revised briefing schedule.
