

Dear [REDACTED],

So sorry to hear about your recent turn of events. Stay strong. The biggest changes come from government overreach like this. You will gain far more notoriety from your public fight on this, and on this issue than if you had remained silent.

This is a tough time, but know that you are in the hearts and minds of many. I spoke personally with Pastor James Coates who was also in jail this spring, and he really wants to reach out to you.

Your team is busy looking to get you a crack criminal defense lawyer. This is a low-point, but it's things like this that will cause your plight to spread and the government to eventually break.

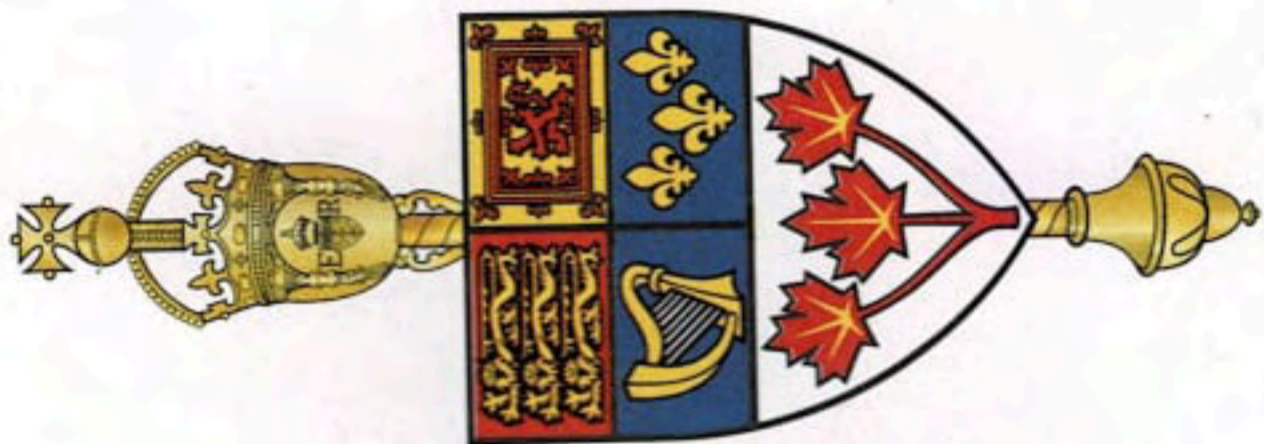

Stay strong, and for now, just focus on getting through this - whatever you have to do. Just stay cool, stay calm, and take one day at a time.

You're in all of our prayers.

"I look for your deliverance, LORD." Genesis 49:18

God bless,
